EDUCATION

Manipal Institute of Technology, Manipal, Karnataka

Jul 2023 - May 2027

Bachelor of Technology, Computer and Communication Engineering

Coursework and focus areas: data structures, algorithms, linear algebra, calculus, data systems, machine learning, and software engineering.

EXPERIENCE

Control Assurance Intern

May 2026 - Jul 2026

Deloitte, Audit & Assurance · Delhi NCR

Assessed Digital Personal Data Protection Act compliance for KOBELCO; verified cybersecurity password, access-control, and configuration controls; and supported remediation planning for compliance and privacy risks.

Data Analyst Intern

May 2025 - Jul 2025

TransOrg Analytics · Delhi NCR

Supported ML-driven fraud detection work, analyzed product-level sales and margin impact for discount optimization, and completed practical training in SQL, Python, Tableau, Power BI, and statistics.

TECHNICAL SKILLS

Languages: Python, C++, Java, JavaScript, TypeScript, SQL, PL/SQL

AI and ML: Agentic AI, LangGraph, Hybrid GraphRAG, RAG, MCP, Gemini API, NLP, Deep Learning, scikit-learn, CLIP embeddings, prompt engineering

Software: FastAPI, React, Next.js, Node.js, PostgreSQL, PostGIS, MySQL, Supabase, Docker, AWS, Git, Vercel, Render

Analytics and Governance: Power BI, Tableau, EDA, DPDP Act, policy risk assessment, cybersecurity controls, audit and assurance.

Curriculum Vitae · Selected projects

SELECTED PROJECTS

Civitas: Multimodal Civic Incident Intelligence Platform

2026

FastAPI, Next.js/React, LangGraph, PostgreSQL/PostGIS, Docker

Built a platform that turns citizen reports across images, video, text, and GPS into verified, prioritized municipal work orders using multimodal AI and spatial intelligence.

Mnemos: Industrial AI Knowledge Intelligence Platform

2025

Python, FastAPI, LangGraph, Hybrid GraphRAG, MCP

Built an agentic backend for industrial asset intelligence with hybrid vector, graph, and structured retrieval to deliver evidence-grounded root-cause analysis and human approval workflows.

A-DAP-T: AI-Agent Safety Scanner

2025

Python, FastAPI, LLM Security

Built backend APIs for a deployment-safety scanner that detects prompt-injection risk, exposed secrets, and unsafe tool permissions in AI-agent projects.

Hydro-DTM System

2025

Python, GIS/LiDAR, Machine Learning

Built an end-to-end terrain-classification pipeline using ML and LiDAR/GIS features, achieving 95%+ classification accuracy and 90% predictive accuracy.

Daedalus: AI Career Navigator

2025

FastAPI, Pydantic, SQLAlchemy

Built deterministic career-fit scoring, skill-gap analysis, and recommendation APIs for an AI career-navigation platform.

Bharat Finance Platform

2025

Next.js 15, React 19, AWS

Developed a multilingual finance interface with real-time visualizations for the AWS ImpactX Hackathon at IIT Bombay Techfest.

AI Speech Persona Builder

2025

FastAPI, Next.js, Gemini API

Built a speech-coaching product that analyzes delivery, pace, and vocabulary to provide personalized, structured feedback.

PAVIT AGRAWAL

Curriculum Vitae · Supporting achievements and credentials

ACHIEVEMENTS AND COMPETITIONS

National Geo AI Hackathon, IIT Bombay Techfest

2025

Hydro-DTM System

Finalist recognition for high-precision terrain classification and digital terrain modeling.

AWS ImpactX Hackathon, IIT Bombay Techfest

2025

Bharat Finance Platform

Built a multilingual finance experience with real-time data visualizations.

HackverseX

2026

Winner certificate

Winner credential recorded in the supplied HackverseX certificate files.

Hackefest

2026

Participation credential

Credential recorded in the supplied Hackefest certificate files.

YouthCodeXAI

2026

Certificate

AI learning and participation certificate recorded in supplied documents.

DLX and DAP credentials

2026

Professional learning

Credentials recorded in the supplied DLX and DAP certificate files.

CERTIFICATES AND SUPPORTING RECORDS

- Google AI Certification, Google / Coursera (Credential ID: 5QN2YVUFVUD6)
- Deloitte Control Assurance and IT Audit record
- TransOrg Analytics internship certificate, offer letter, participation, internship, and project-completion records
- NXT Wave AI Workshop Masterclass certificate
- AWS certificate
- HackverseX winner certificate
- Hackefest certificate
- YouthCodeXAI certificate
- DAP Pavit Agrawal credential
- Pavit Agrawal DLX credential
- Letter of Recommendation for Pavit Agrawal
- CCEB ITR offer letter and additional supporting documents
